Mr. Speaker, I was proud of the Republicans and Democrats on the National Security Committee and on the House Appropriations Committee, because they came to the defense hearing, our service chiefs gave as much between the lines as they could without losing their jobs, and I am very, very proud of them. They said, "Mr. Chairman," to the chairman of the committee, "We cannot continue as men and women in the Armed Forces with the lack of readiness and the lack of support that this Nation is giving us."
